About Tasty Chips

Tasty Chips is a family owned and operated business which has been in the vegetable industry for fifty years, and originally started processing the product, potatoes; hence the name Tasty Chips. We later expanded and started processing vegetables of all types; producing the best quality at a reasonable price. These vegetables can now be prepared as the customers needs; peeled, cut, shredded, sliced and diced. More production styles available... [See Product Style List](#)

Single or combinations of vegetables are prepared for clients, including hospitals, catering companies, restaurants, fish and chips shops and other food manufacturers. We can cater for any combination the client requests, delivered ready prepared, to suit the use and occasion.
