## Our Service

Tasty Chips can provide a service uniquely designed to the meet needs of your business no matter what area of the hospitality industry you may be in. Our client base varies from gourmet food suppliers, hospitals, restaurants, catering companies, manufacturing companies, fish and chip shops and local take away's.

Various specifications of processed vegetables can be made including many prepared mixes such as soup, stir-fry, casserole and lasagna. All our produce is purchased fresh daily, hand picked and inspected for its quality so our customers always receive the best possible product.

The staff at Tasty Chips have an extensive knowledge of fresh produce, and continually receive on the job training keeping them up to date of new and different ways that vegetables can be prepared.
